AE Wallmount Enclosure

Key Features:

1. Right Hand hinged door (reversible)
 2. Gland Plate bottom
 3. Foamed in Place Gasketing
 4. Knife Edge Gutter
 5. Powder Coat Finish
- Standard carbon steel AE
 - One and two door versions available
 - Stainless steel AE
 - Greater corrosion protection
 - Type 304 & 316L
 - Flange mount disconnect (FMD) AE
 - Universal disconnect cutout

Commonly used accessories

- Mounting brackets
 - 2503.200 – Sheet steel, zinc-plated, A = 1.6 in. (40 mm)
 - 2508.010 – Sheet steel, zinc-plated, A = 0.4 in. (10 mm)
 - 2433.000 – Type 304 SS, A = 0.4 in. (10 mm)
 - 2433.500 – Type 316L SS, A = 0.4 in. (10 mm)
 - WMUMB – Sheet steel, zinc-plated, used to match typical NEMA mounting pattern
 - WMUMB6 – Type 316L SS, used to match typical NEMA mounting pattern
 - WMSMB – Sheet steel, zinc-plated, mimics standard NEMA style flanges
 - WMSMB6 – Type 316L SS, mimics standard NEMA style flanges

2503.200

- Commonly used accessories (continued)

- Handles

- Thumb-turn handles

- 2576.000 – Key-locking (no. 3524E, 2 keys included), RAL 9011 (graphite black)
 - 2439.000 – Key-locking (no. 3524E, 2 keys included), RAL 1030 (stone gray)
 - 2533.000 – Non-Locking, RAL 9011 (graphite black)

- T-Handles

- 2575.000 – Key-locking (no. 3524E, 2 keys included), die-cast zinc, chrome-plated
 - 2572.000 – Non-locking, die-cast zinc, chrome-plated

- Ergoform handle for AE more than 40" (1000mm) in height

- 2435.000 – RAL 7035 (light gray)
 - 2452.000 – Nickel plated

- Handles

- Thumb-turn handles

- 2576.000 – Key-locking (no. 3524E, 2 keys included), RAL 9011 (graphite black)
 - 2439.000 – Key-locking (no. 3524E, 2 keys included), RAL 1030 (stone gray)
 - 2533.000 – Non-Locking, RAL 9011 (graphite black)
 - WMQTPLS6 – Type 316L SS, pad-lockable

- T-Handles

- 2575.000 – Key-locking (no. 3524E, 2 keys included), die-cast zinc, chrome-plated
 - 2572.000 – Non-locking, die-cast zinc, chrome-plated
